

TAKAHASHI et al.
Serial No.: 10/616,954
Response to Office Action dated July 26, 2005

AMENDMENTS TO THE SPECIFICATION

On page 1, please replace the paragraph inserted after the title by the Preliminary Amendment of July 11, 2003 with the following amended paragraph:

This application is a continuation of Application No. 09/426,581, filed October 25, 1999, now U.S. Patent No. 6,650,787.
